

Study and work in the EU: Set apart by gender

Apžvalga

Description

The study aimed to analyse the implementation of the strategic objectives formulated in Area B of the Beijing Platform for Action: education and training of women. The report presents an analysis of the following closely related areas at EU and national level: gender segregation in education and training; gender segregation in the labour market; paths of women and men from gender atypical fields of study to occupations; gender pay gap in occupations associated with women and men.
