

Ekspertų forumas

Ekspertų forumas yra patariamasis instituto organas. Pagrindinė jo funkcija yra teikti profesionalias žinias lyčių lygybės klausimais.

Ekspertų forumą sudaro visų Europos Sąjungos Valstybių narių kompetentingų institucijų nariai, kurie specializuojasi lyčių lygybės klausimų srityje. Kiekviena šalis turi po savo narį ir jį pavaduojantį asmenį. Du narius skiria Europos Parlamentas, tris narius skiria Europos Komisija, kurie atstovauja suinteresuotosioms šalims Europos lygmenyje, po vieną iš:

- atitinkamos nevyriausybines organizacijos Bendrijos lygmenyje, kuri yra teisėtai suinteresuota prisidėti prie kovos su diskriminacija dėl lyties ir lyčių lygybės skatinimo;
- darbdavių organizacijų Bendrijos lygmenyje;
- idarbuotojų organizacijų Bendrijos lygmenyje.

Valstybės narės ir Komisija siekia, kad Ekspertų forume būtų subalansuotas vyrų ir moterų atstovavimas.

Nariai skiriami trejų metų kadencijai.

Ms Kerstin Alnebratt

Director

Kerstin Alnebratt has served as Director of the Swedish Secretariat for Gender Research since 2009. The secretariat, located at the University of Gothenburg, has a national remit with the task of disseminating gender research and strengthening the research field. The secretariat has also been several times commissioned by the Nordic Council of Ministers and the Swedish Government to promote gender equality. Ms Alnebratt's main area of interest is critical studies on gender equality, including the relations between theory, politics and practice. She is part of a research project called 'Theorising politics and practice: Critical studies of gender equality policy'. Together with Malin Rönnblom, she published 'Feminism as bureaucracy' (2016), a book about the implementation of gender mainstreaming in Sweden. For eight years, from 1994 to 2002, she was Deputy Mayor of the city of Gothenburg. She holds a PhD in gender research.

Mr Mikael Almén

Coordinator at the Gender Mainstreaming in Government Agencies Programme

Swedish Secretariat for Gender Research

University of Gothenburg

Mikael Almén is responsible for supporting the 60 Swedish government agencies commissioned by the central government to work on gender mainstreaming over the period 2013–2018. He leads the development of measurable objectives for these agencies, helping to mainstream gender into their regulatory documents. He also prepares guidelines and other material for gender mainstreaming, plans and leads trainings and conferences on themes such as norm criticism, intersectionality, gender-equal communication and gender equality analysis. Mr Almén previously worked as a programme administrator on the Swedish Association of Local Authorities and Regions' Programme for Sustainable Gender Equality, and was an elected member of the City of Malmö's anti-discrimination committee between 2008 and 2009. Mr Almén has Master's degree in political science, with a focus on gender studies.
