

Training professionals

The training lasts for 96 hours of education during 12 days, and in addition the professional has to work with clients (perpetrators) under the supervision in next 6 months or during twenty treatment meetings with clients.

Aims and objectives

Education of professionals for treatment of perpetrators of family violence.

Results and impact

120 professionals have been educated from all parts of Croatia. The Society did the evaluation in November 2011. According to results obtained (86% of experts answered) the treatment has been operated in 14 Croatian cities by 34 professionals. Seven of them have been working as independent experts, while majority of them through different NGOs.

Creator/owner/responsible institution

DRUŠTVO ZA PSIHOLOŠKU POMOĆ (Society for Psychological Assistance)
