

BME refuge project

Provision of temporary secure accommodation to BME women and children about to suffer or suffering domestic abuse in Wales. Refuge offers a breathing space where decisions can be made free from pressure and fear. BAWSO currently runs 5 refuges and 2 safe houses

Aims and objectives

Address specific needs of black and ethnic minority women in Wales, especially those who have no recourse to public benefit

Creator/owner/responsible institution

NGO - Black Association of Women Step Out (BAWSO)
