

Austria - Sexual Assault (excl. rape)

Sexual assault occurs when a person is coerced by force or dangerous threat to perform or tolerate a sexual act that does not fall under rape according to Section 201 of the Criminal Code.

Legal provisions on protection orders

No legal provision

Legal Source

Criminal Code, Section 202

Observations

Aggravated forms exist when the victim gets pregnant, dies, suffers severe injuries or is put in a humiliating state over a prolonged period of time. These aggravated forms are accompanied by higher terms of punishment.
