

National Policy for Gender Equality 2011 - 2015

In the framework of the National Policy for the Promotion of Gender Equality, in Chapter 5 (Elimination of violence against women), an action plan has been developed to eliminate all forms of violence against women, including harmful traditional practices such as FGM. The measure 5.1.5. states that research will be conducted on the prevalence of all forms of violence against women, including harmful traditional practices.
