

Act of the 5th of May, 2006 on Asylum rights and subsidiary protection measures (Luxembourg)

Refugee status, Subsidiary protection (1 year renewable)

Asylum Provisions

Definition of 'refugee' in asylum law

This act also refers to the definition of the Geneva convention, specifying that the status of refugee can also be granted upon the HCR mandate. The definition of persecution acts is detailed in Article 31, borrowed from the EU Qualification directive (2004/83/EC), mentioning "acts of a gender-specific or child-specific nature". Besides, this act contemplates the possibility to grant subsidiary protection to those who do not meet the criteria stated above, notably if they are threatened to be executed or at risk of suffering inhuman or degrading treatments (article 37).

Definition of 'particular social group' and type(s) of persecution addressed

Not specified, but can be inferred from article 31
