

Dignity for Domestic Violence Survivors - The Impact of Domestic Violence on your Business

It was estimated that the annual cost of domestic violence in the 27 EU member states could be as high as €16 billion. Project aims at providing:

investment in the social structure pertaining to domestic violence through training/sensitising of professionals in the field of DV, as well as raising general public awareness. This will in turn have a positive impact on the employability of the project's vulnerable target groups – Domestic Violence Survivors
