

Gender and media handbook

The handbook is a practical manual containing background information on the challenges and opportunities around gender and media issues (representation, employment, ownership, and so on); contemporary activist and academic thinking on how gender issues are linked to questions around media power and social change; advice on how to address gender issues in media institutions in order to transform organisational structures, policies and professional associations; and, information on the important contributions toward gender equality currently being made by activists working in alternative media and in gender and media organisations.
