Website

Funding body

It is funded by the National Strategic Reference Framework (NSRF)

Aims and objectives

The aim of the programme is to raise awareness about the necessity of gender mainstreaming in all policies and actions.

Results and impact

The GSGE will implement, in cooperation with the National Centre for Public Administration and Local Government (EKDDA), a series of training seminars. The drafting of the training manual is completed and the organisation of the seminars is in progress.

Creator/owner/responsible institution

General Secretariat for Gender Equality

Contact: info@isotita.gr

Contents/activities/services

The programme will develop and deliver training seminars that will be tailored to the needs of specific groups. These groups include gender experts, court members, diplomats, labour inspectors, penitentiary employees in women's detention facilities, employees in municipal and regional services for immigration as well as of the General Secretariat of Population and National Cohesion, police officers and social service employees in local government organisations.
