

Οδηγός Εφαρμογής των Πολιτικών Ισότητας των Φύλων στην εξειδίκευση και υλοποίηση των δράσεων του συνόλου των Επιχειρησιακών Προγραμμάτων

Funding body

It is funded by the National Strategic Reference Framework (NSRF)

Aims and objectives

The Gender Equality Policy Implementation Guide is a tool/ guide that offers its users the methodology and specific directions to foster gender mainstreaming and ensure the implementation of gender equality in all policies that have been already drawn and are included in each NSRF Operational Programme, the National Strategic Plan for Rural Development and the National Strategic Plan for Fisheries.

Results and impact

a) Recording of European and national policies on gender equality, b) Assessment of the current conditions and monitoring of the course of the actions taken for the equality between men and women, c) Proposals for gender mainstreaming into Operational Programmes, d) Proposals on the monitoring of action implementation for gender mainstreaming in co-funded Projects (i.e. indexes according to respective directions of the ESF Regulation, etc), e) Proposals for the assessment of OP actions on gender equality.

Creator/owner/responsible institution

Contents/activities/services

The Guide offers specialised know-how and directions for gender mainstreaming in all aspects of co-funded Programmes (specialisation, implementation, monitoring, auditing and assessment).
