

Az EU nők és férfiak közötti egyenlőségre vonatkozó ütemtervének (2006-2010) megvalósítására létrehozott munkacsoportok

Aims and objectives

The thematic working groups were established to support the implementation of the objectives of the EU's Gender Equality Roadmap.

Results and impact

Since the change of government the working groups have not been convened.

Creator/owner/responsible institution

The government unit responsible for gender equality

Contents/activities/services

The Department of Gender Equality of the Ministry of Social Affairs and Labour established 8 working groups along the main strategic areas of the Roadmap, inviting NGOs and experts to participate. The main activities of these groups were awareness-raising, research, analysis and preparing policy recommendations.

Additional information

Periodicity: The working groups have met at least two times a year, but in many cases more often, especially when working on specific commissions.
