

Acordo de adesão - Fórum empresas para a Igualdade de género (Accession agreement - Business forum for gender equality)

The Forum serves as a platform for companies from all economic sectors to learn from each other and stimulate the implementation of gender equality policies. RTP (Rádio e Televisão de Portugal, radio and television broadcaster Portugal) is a member of the Forum of Companies for Gender Equality. Members agree to develop actions to promote gender equality in their organisations, committing to improve HR policy and implementation and to support work-life balance of employees.
