

Infomes de Impacto de Género

Aims and objectives

The aim of GIA in Castilla La Mancha is to revise some types of norms and policies (laws, dispositions, recruitment norms and plans) from a gender perspective before they are approved by the government. It represents hence and ex-ante evaluation of public policies.

Results and impact

No information has been found with regard to the implementation of GIA

Creator/owner/responsible institution

Each regional ministry

Contents/activities/services

Law 12/2010 established that all laws, dispositions, recruitment norms and plans must be accompanied by a GIA. In 2009, a guideline on how to elaborate GIA was published.
