# Government Gender Equality Action Plan 2008-2011

The Government Gender Equality Plan 2008-2011 includes a section on gender mainstreaming. It lists the common gender mainstreaming goals for all ministries: establishment of a gender equality working group, gender budgeting, gender impact assessments in the planning of legal initiatives, and organisation of gender training. The plan lists a major initiative/project from each ministry to which gender mainstreaming should be applied.
