

# Barometer of diversity -session 4 - week from 4 to 13 may 2011

Most recent 'Barometer of Diversity' carried out by the CSA on TV broadcasts. In the study, women only represented 24% of experts/principal personalities on news programmes and 29% of anchor presenters of documentaries or current affairs programmes. Overall (excluding Advertising), women represented only 35% of those shown on the TV.

## Key stakeholders mentioned:

Le CSA (Conseil Supérieur de l'Audiovisuel).
