

2. Atlas zur Gleichstellung von Frauen und Männern in Deutschland

This report published by the Federal Ministry of Family Affairs, Senior Citizens, Women and Youth and the Conference of the Ministers and Senators of the Länder for Gender Equality and Women's Affairs presents a large amount of sex-disaggregated data, and assesses the level of gender equality in different areas of life. It covers 36 indicators belonging to four different categories. It extends the scope of the first report presented in 2010 by including additional indicators and comparing data from different points in time.
