

Πολιτικές για την Οικογένεια στις Χώρες της Ευρωπαϊκής Ένωσης. Εναρμόνιση Οικογενειακής και Εργασιακής Ζωής. Ανάλυση Κόστους -Οφέλους για την Ελλάδα

The book provides an extensive analysis of the context and tendencies in the countries of the E.U. regarding demography, employment and family and reconciliation policies. It also reviews critically and assesses the impact of the legislation and measures regarding demographic and family policy in Greece. It finally suggests measures of work/family reconciliation policies with a cost/benefit analysis
