

# Ζητήματα Οικογενειακής Πολιτικής - Θεωρητικές Αναφορές και Εμπειρικές Διερευνήσεις

---

This is a collective volume of articles that derive or are related to a transnational research project called IPROSEC (Improving Policy Responses and Outcomes to Socio-Economic Challenges) that took place between 2000-2003. The mostly qualitative research material is used by the authors to draw conclusions about family policy. The articles in particular of L. Mousourou and M. Stratigaki are much related to the relationship between work and family and reconciliations issues.
