

Gender mainstreaming a Regionális Operatív Programok végrehajtásában : Munkafüzet

The booklet was primarily prepared for public administration officials working in the National Development Agency and its Managing Authorities. It contains an introduction of the concepts of gender, gender equality and mainstreaming. Then it discusses the topics of gender and regional development, local administration and decision making, economy and labour market, education and training, health, culture, security and safety, urban regeneration, and tourism. It focuses on the whole programming process of the OP and ends with a chapter of gender conscious communication.
