

# EQUAL Guide on Gender Mainstreaming

This EQUAL manual provides an overview of gender mainstreaming history, principles and methodology as well as the benefits that it may offer in a simple, easy to understand language. It explains what gender mainstreaming is, how will its implementation benefit to an organization, or even to an individual. It also highlights the fact that gender mainstreaming is a process. It can be useful for individuals or organizations who are interested in gender equality integrated approach for the planning, implementation, monitoring and evaluation of projects.
