
Lyčių lygybės principo įgyvendinimo gairės Lietuvos savivaldybėse

In this manual, the authors discuss recommendations for a wide range of opportunities for the implementation of the equality provisions in municipalities, emphasising that they (the municipalities) have the right to choose the preferred option and the critical activities. More specifically, it considers, inter alia: equal opportunities in Lithuania; why local government is important for the implementation of equal opportunities' principle; main principles of gender equality; political aims of equal opportunities at municipality level; and, legal regulation of equal opportunities in Lithuania.
