

# Estudo de Avaliação do III Plano Nacional para a Igualdade – Cidadania e Género: Relatório Final para a CIG

According to the Third National Plan for Equality, Citizenship and Gender 2007-2009, an external evaluation should be conducted in order to ensure an impartial assessment of the execution of measures listed in the plan. An external organisation has conducted this evaluation. This report provides a comprehensive evaluation of the measures foreseen, as well as recommendations for further improvement of gender equality policies.
