

Guião para a Implementação de Planos para a Igualdade na Administração Pública Central

This guide was published and has been disseminated by the official national mechanism for gender equality (CIG - Commission for Citizenship and Gender Equality) in order to support organisations and offices of the central public administration in carrying out an action plan: a diagnosis - a gender audit in terms of gender equality and work-life balance - and the respective plan of intervention.

Format: pdf-file, 63 pages
