

Ley 30/2003 sobre medidas para incorporar la valoración de impacto de género en las disposiciones normativas que elabore el gobierno

Law 30/2003 introduced GIA for the first time at the national level. It stated that all laws and regulations must be accompanied by a GIA. This disposition was broadened by Law 3/2007, which determined that also plans, decrees, dispositions and recruitment procedures must have an ex-ante evaluation.
