

Aperio - společnost pro zdravé rodičovství (Aperio - Society for Healthy Parenting)

APERIO – Society for Healthy Parenting is a service organization for current and prospective parents and employers. The association was founded in 2001. It runs web counseling services free of charge and various courses for parents and public. They released a successful guide of maternity hospitals in the Czech Republic, which is regularly updated on their website. Every year they publish a free guide for parents “Do not fight with the authorities and balance work with family life.” It is one of the first organizations in our country that offers services to solo parents. It developed the first methodology for gender audits in the Czech Republic.

Areas of Interest

consultation and information centre for parents and employers, web consultations, work/life balance
