

Byznys pro společnost (Business for Society)

Byznys pro společnost is the biggest professional platform for companies to share and spread the principles of CSR and sustainable business in the country. One of their projects is Diversity 2013 + where among other principles, the employers' organizations report they will implement programs that enable equal opportunities for women and men through reconciliation of private and professional life, mainly to introduce and promote flexible forms of work where the nature of the work permit.
