

# Federation of Employers' Associations of the Slovak Republic

Federation is the supreme employers' organisation in the Slovak Republic. Its members include business' and employers' associations. Its main objective is to create conditions for extensive development of business activities in the Slovak Republic and to promote and protect common business, commercial and employers' interests of its members. Activities of the Federation include co-ordination of the activities of its members to deal with common problems and to prepare common statements, giving comments on draft legislative pieces that protect the interests of employers, coordination of activities of its regional offices and protects interests of employers in relation to the National Labour Office and other professional and consultative bodies of the official authorities, submitting its proposals and lobbying in the process of development and adoption of important decisions on national and international political and economical levels.
