

EIGE and Eurooppanaiset - afternoon discussion

[Eurooppanaiset](#) (Women of Europe)-the Finnish Association of Women - and EIGE briefly met during the afternoon today in the context of the Institute's stakeholder relations activities.

The topics of discussion ranged from the development of EIGE's European Network for Gender Equality, to the recent [main findings report](#) for the Polish Presidency of the European Union.

The meeting established an important first bridge between the future Finnish member of EIGE's European Network on Gender Equality.
