

# EIGE's RDC: Electronic data management system – extension of hub for existing digital resources with additional partners

The subject of the Contract is to expand the hub of gender equality resources, hosted by EIGE in its Resource & Documentation Centre (RDC).

## Questions and answers

[Questions & Answers 1](#) - 28 Feb 2013

[Questions & Answers 2](#)- 22 Mar 2013

### Important

At the request of the tenderer, EIGE may provide additional information solely for the purpose of clarifying the nature of the contract. Any additional information including that referred to above will be published on this website.

**Requests for additional information/clarification should be received by 26/03/2013.**

The answers to such requests, if any, will be published under this banner, therefore you are invited to visit EIGE's website regularly for updates.

Requests for additional information will not be processed if received later than the above-mentioned date.
