The study commissioned through this Invitation to tender is undertaken within the scope of EIGE's Work Programme 2015. EIGE will offer a ten-month service contract to the selected service provider/consortium to carry out a research project on the Economic Benefits of Gender Equality in the European Union. The research project envisaged in the course of the service contract will contribute to 2015 EIGE's Work Plan section on the Benefits of Gender Equality.

### Important

At the request of the tenderer, EIGE may provide additional information solely for the purpose of clarifying the nature of the contract. Any additional information including that referred to above will be published on this website.

Requests for additional information/clarification should be received by 07/08/2015.

The answers to such requests, if any, will be published under this banner, therefore you are invited to visit EIGE's website regularly for updates.

Requests for additional information will not be processed if received later than the above-mentioned date.
