

Gender budgeting: closing the gaps between gender equality commitments and resources in the EU

The specific objective of the tender is to contribute to a more effective and sustainable design and implementation of gender budgeting as an effective tool within the budgeting process.

The tender documents are available at <https://etendering.ted.europa.eu/cft/cft-display.html?cftId=3266>

Note: EIGE is using [eTendering platform](#) for managing this call for tender, which consists of the publication of procurement documents and the management of questions and answers concerning the specifications and the procedure.

Please follow the relevant links to gain access to all procurement documents. The documents will be visible and downloadable, but in order to use some options on the eTendering website, you will need to register and log in. It is the tenderer's responsibility to check for updates and modifications to the tendering documentation during the tendering period. These changes will be made available in <https://etendering.ted.europa.eu>.
