

Female genital mutilation - Online discussion report

The online discussion reports published below present the views expressed by participants of several online discussions held in September and October 2013 via the EuroGender online platform (<http://eurogender.eige.europa.eu/>). The reports were prepared in the framework of the 'Animation online discussions within EuroGender' EIGE/2012/OPER/23 service contract, delivered by Cultura Lavoro srl in partnership with the European Service Network (ESN). The online discussions covered a broad range of topics related to gender equality: Gender Equality Index, Men and Gender Equality, Female Genital Mutilation, Benefits of Gender Equality, Women and Political Decision-Making and Institutional capacity and effective methods for gender equality.
