

Gender Equality in Power and Decision-Making: Main Findings

Review of the Implementation of the Beijing Platform for Action in the EU Member States

This publication summarises the report Gender Equality in Power and Decision-making: Review of the Implementation of the Beijing Platform for Action in the EU Member States prepared by the European Institute for Gender Equality (EIGE) in support of the Luxembourg Presidency of the Council of the European Union in 2015. The report looks at how Member States fared in terms of gender equality in power and decision-making positions within bodies of public, economic and social power between 2003 and 2014. In addition, the report presents new data on decision-making in sports organisations.
