### Application form

EN (DOC, 197 KB)

The European Institute for Gender Equality (EIGE)<sup>[1]</sup> invites applications with a view to establishing a reserve list for Seconded National Experts (SNE) Statistician.

The registration of applications will **begin on 5 June 2018 and will close on ~~5 July 2018 at 13:30 Eastern European Time (EET)~~. The deadline has been extended to 20 July 2018 at 13:30 Eastern European Time (EET)**.

---

## The Institute

Based in Vilnius, Lithuania, EIGE is a regulatory agency of the European Union (EU) entrusted with specific objectives related to the promotion of gender equality.

To achieve its goals, the Institute collects and analyses comparable and reliable information at EU level and develops appropriate methodological tools for the integration of gender equality into all EU policies. It fosters the exchange of good practices and dialogue between stakeholders and raises EU citizens' awareness of this policy area by providing technical assistance to EU institutions, in particular the European Commission, as well as the authorities of the Member States.

In the course of its work to promote and strengthen gender equality, EIGE supports policy-makers with high quality research and comparable data relevant to their work.

---

# Job Description

## Profile

Working closely with the Team Leader for Research, Statistics & Indices, the jobholder will work with the harmonization and improvement of existing indicators and statistics, including the Beijing Indicators and Gender Equality Index.

In particular the jobholder will be responsible for planning and implementing methodological and organizational aspects of harmonization, update and development of new gender equality indicators including identification of data sources and data availability.

## Duties

The Seconded National Expert will perform the following tasks and activities:

- Support the development of research activities/projects focused on various areas of gender equality; this includes maintaining and updating statistical databases.
- Support the development of the Institute's work with the Beijing Indicators for EU Presidency Member States.
- Support the improvement of existing indicators and the development of new ones which are relevant to measure progress in gender equality.
- Collect and process the existing EU wide data and produce statistics in order to provide high quality analysis on assigned research areas.
- Assess and validate the quality of relevant statistical methods and data.
- Produce comparative statistical data for publication and dissemination.
- Provide analytical support in the planning, implementation and the final evaluation of research activities/projects.
- Develop and maintain statistical information exchange with relevant national/international/EU services.
- Assist EIGE in the organisation and coordination of meetings, workshops, seminars and network cooperation with key stakeholders.
- Follow the latest research developments, including new developing methodologies, in the area of gender equality at both national and European levels as well as globally.

---

# Qualifications and experience required

## Formal requirements

To be considered eligible for selection, an applicant must meet the following formal requirements by the closing date of this call:

- A university degree, or a level of formation which corresponds to completed university studies, preferably in statistics attested by a diploma<sup>[2]</sup> and appropriate professional experience of at least one year when the normal period of university education is at least three years.
- Very good command of both spoken and written English, which is the predominant working language at the Institute and a satisfactory knowledge of a second EU language;
- Entitlement to full rights as a European citizen or nationality of an EU candidate country or an EFTA country or a country with which the European Council has decided to open accession negotiations and which has concluded a specific agreement with the Commission on staff secondments.
- Any obligations imposed by the national laws concerning military service.

## Selection criteria

Eligible candidates will be evaluated on the basis of the following criteria:

### Essential

- At least four years professional experience gained after the award of the relevant qualification and at a suitable level corresponding to performance of tasks as defined under section 2.2.
- Experience and knowledge relating to the production and use of gender statistics, databases and indicators for the measurement of population features.
- Experience and knowledge relating to the dissemination of gender statistics at a national, EU and international level.
- Practical experience and excellence in preparing and implementing research projects.
- The ability to deal with a high volume of data and information and to provide a reliable assessment of existing statistical information.

- The capacity to conceptualise and structure information and to communicate effectively both technical and specialised information.
- Evident organisational skills, including the ability to manage priorities, work under pressure and reaching tight deadlines.
- Good computer skills, especially in preparing and editing text.
- The ability to cooperate smoothly in a multicultural environment.

### Advantageous

- Knowledge of EU policies related to gender mainstreaming and/or gender equality issues in general.
  - A good knowledge of the EU institutional framework and policies.
- 

## **Selection procedure and application**

### **Selection procedure**

The selection will include the following steps:

- Only duly completed applications submitted electronically within the deadline will be taken into consideration.
- Each duly completed application will be examined with a view to establishing that the candidate meets all eligibility criteria.
- The best-admissible candidates will be short-listed for an interview.
- Interviews will be held in English.
- The Selection Committee will examine the candidates' profiles and assess their relevancy for the post in question. On the day of the interview, candidates may also be required to undergo a competency assessment exercise.
- The chosen candidate will be requested to furnish:
  - a copy of identity card, passport or other official document specifying citizenship,
  - a copy of diploma certifying a required level of academic qualifications,
  - documentary evidence of professional experience, clearly indicating starting and finishing dates.

- Copies of the above mentioned documents will be retained by the Institute;

If at any stage of the procedure, it were established that information in the application has been knowingly falsified, the candidate shall be disqualified from the process.

The initial period of secondment shall be specified in the exchange of letters between the Institute and the employer of the selected SNE.

---

## Submission of applications

For applications to be valid, candidates must complete an EIGE application form, available only in English and which is to be forwarded electronically to [eige.hr@eige.europa.eu](mailto:eige.hr@eige.europa.eu). The subject title should include the vacancy reference number. Applications may also be forwarded to EIGE on behalf of applicants by the Permanent Representations of the EU Member States.

An application form is available on the top of this page. Applicants are requested not to attach any supporting documents at this stage (e.g. copies of ID cards, diplomas, evidence of previous professional experience, etc.). Only shortlisted candidates will be asked to present copies of these documents for verification. Applications will not be returned to candidates but will be kept on the file by the Institute in line with its data protection guidelines.

Due to the large volume of applications, the Institute regrets that only candidates selected for the interviews will be contacted.

---

## Conditions of secondment

The purpose of the secondment is to provide the SNE with experience of the Institute's working methods and policies, to enable them to gain practical experience and understanding of the day-to-day work of the Institute's work and to give them the opportunity to work in a multicultural, multilingual environment. It also serves to enable staff of national administrations to put into practice the knowledge they have acquired in their studies, particularly in their respective areas of responsibility.

The SNE shall remain in the service of his/her employer throughout the period of secondment and shall continue to be paid by that employer. The SNE shall be entitled to daily and monthly subsistence allowances in line with [EIGE Decision MB 2017/001](#) on the secondment to the European Institute for Gender Equality of national experts and national experts in professional

training available here.

Each candidate should before applying obtain the assurance of the support of his/her employer for his/her candidacy as well as the commitment of that they shall continue to pay a salary during the period of the secondment. The final stage to secure the secondment will be confirmed by an exchange of letters between the Institute and the employer in the Member State concerned.

The secondment will be for a minimum of six months but not more than two years and may be extended further up to a maximum period of two years. The place of secondment shall be Vilnius, Lithuania.

---

## **Independence and declarations of interest**

The SNE will be required to enter into a commitment to act independently in the public interest and to make complete declarations of any direct or indirect interests that might be considered prejudicial to his or her independence.

---

## **Equal opportunities**

EIGE applies a policy of equal opportunities and accept applications without distinction on any grounds.

---

## **Appeal procedures**

If a candidate considers that s/he has been adversely affected by a particular decision, s/he can lodge a complaint under Article 90(2) of the Staff Regulations of Officials of the European Communities and Conditions of Employment of Other Servants of the European Communities, by writing to The Director, European Institute for Gender Equality, Gedimino Prospektas 16, Vilnius, Lithuania LT01103.

The complaint must be lodged within three months. The time limit for initiating this type of procedure (see Staff Regulations as modified by Council Regulation No 723/2004 of 22nd March 2004 published in the Official Journal of the European Union L 124 of 27th April 2004) starts to run from the time the candidate is notified of the act adversely affecting her/him.

Pursuant to Article 195(1) of the Treaty establishing the European Community and in accordance with the conditions laid down in the Decision of the European Parliament of 9 March 1994 on the Staff Regulations and the general conditions governing the performance of the Ombudsman's duties, published in Official Journal of the European Union L 113 of 4 May 1994, it is also possible to write to: The European Ombudsman, 1 Avenue du Président Robert Schuman, CS 30403 67001 Strasbourg Cedex, France.

---

## **Protection of personal data**

As the body responsible for organising the competition, EIGE ensures that applicants' personal data are processed as required by Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data (Official Journal of the European Communities, L 8 of 12 January 2001). This applies in particular to the confidentiality and security of such data.

Personal data shall thus be processed solely for the purpose of the selection procedure.

---

## **Lithuania and life in Vilnius**

Lithuania is a member of the Schengen Area and it borders Latvia, Belarus, Poland and the Kaliningrad region of Russia. Its western coastline - noted for its fine beaches, dunes and majestic pines - straddles the Baltic Sea.

Vilnius has an estimated population of just over 800,000 people. In addition to ample green spaces, it is beautifully situated on the banks of the river Neris, offering excellent opportunities for outdoor activities. The city is compact and safe both for individuals and families. Vilnius has impressive Baroque, Gothic and Renaissance architecture as well as one of Europe's largest medieval old towns, a UNESCO World Heritage site since 1994. It has been a university city since the Middle Ages.

Today it is the centre of the country's politics, business, science, culture and entertainment and it attracts an increasingly varied assortment of local and international events. The city centre of Vilnius is compact, clean and safe. In addition to hosting a number of international schools, Vilnius has a well-developed infrastructure and ambitious future plans.

Further information is available from the [Vilnius Tourism Board](#).

[1] Established by the European Parliament and of the Council Regulation (EC) No 1922/2006 of 20 December 2006 (OJ L 403/9 of 30.12.2006)

[2] Only qualifications issued by EU Member State authorities and qualifications recognised as equivalent by the relevant Member States authorities will be accepted.
