- Name
- Ethnicity
- Marital status
- Dependants

Other: Education level, permanent residency, employment status

---

**Relationship with perpetrator**
- No

**Repeatedly suffering from GBV**
- No

---

Perpetrator

**Background information**
- ✗ No information collected on Background information

---

**Relationship with victim**
- No
**Additional information:** This means that this kind of information is not recorded by this data source.

### Re-offending
- No

### Witness

**Background information**
- No information collected on Background information

### Relationship with victim/perpetrator
- No

### Incident description by witness
- No

### Children witnessing IPV incident
- No information available

### Incident

**Code system used**
- No information available

### Description of incident
- No information collected on Description of incident

### Protection order
Civil justice data

- No information available

Incident respond resources

- No information collected on Incident respond resources

Prosecution process

- This administrative data source does not collect information on Prosecution process

Outcomes

- This administrative data source does not collect information on Outcomes

Characteristics

Storage System

- In paper form
- Electronically (single files)
- Electronically (database)

Other: This organisation has different databases for different services. Some of them are on paper, parts of them are computerised. This survey describes the database from the Social protection institute (part of the Ministry of Labour, family, Social affairs and equal Opportunities), because it collects the most accurate data.

Frequency of updating
Ongoing

Quality assurance process

- No information available

Comparability

- No information available
