Dependants

Incident
Other content: Victim data (gender), offender data (gender, previous offenses), social services provided for a victim and children.

### Criminal statistics on sexual violence

**Criminal statistical data included**

- **No**

### Characteristics

#### Reference period

1 year

#### Frequency of updating

Ongoing

#### Validation

- No information available

### Compilation

Statistics are compiled based on interventions initiated by the Blue Line

### Quality assurance process

- No information available

### Accuracy
No information. The data contains detail information on the context of domestic violence (relationship with the offender, witnesses, previous offenses) as well as geographical scope of the case. The data is limited as it is drawn from the intervention phone line.

**Reliability**

No information. The data is drawn from intervention phone line, so it cannot be considered reliable in terms of representativeness.

**Timeliness**

Good. This is an annual report so the data presented may not be the very latest available at the data source.

**Comparability**

- ✔️ Geographical
- ✔️ Over time
- ✗ None

**Current developments**

- ✗ No information available

**External link**

- ☰ No

**Website**
