

You can't do this / To si dovolit nesmíš

Publication shows students and young people how to recognize warning signs of intimate violence in a relationship, how to deal with the violence, and how "healthy" relationships look like. The book contains a postscript for schools and parents who often do not know how to talk with children about their relationships. The publication can be obtained free of charge thanks to support of a grant of Prague City Hall.

Aims and objectives

To prevent domestic violence in it/s beginning - in intimate relationships of young people.

Creator/owner/responsible institution

ROSA - Center for women victims of domestic violence
