

Intimate war (intieme oorlog)

Central theme: time-out. Clients learn how to control themselves, so that they can regulate their own behavior. Specific attention is given to feelings of shame. Course material has been developed: videos, powerpoint presentations, overheadsheets

Aims and objectives

(1) end DV by creating and increasing the capabilities of the clients to deal with psychological and relational difficulties effectively, (2) create theory and methodology for mental health caregivers

Creator/owner/responsible institution

Instituut voor Geschillen (IVG); Lorentzhuis Haarlem

Stakeholder, Firstname: Martine

Stakeholder, Family name: Groen
