

FGM, Asylum and Refugee Legislation in the UK

The paper is a follow up of the project on the legal provisions regarding FGM in 15 EU member states and strengthening of implementation in 5 member states. The report documents the UK programme activities and the seminar which sought to clarify and assess UK legislation and policies on FGM, asylum and refugees, share information on issues affecting asylum and refugee women and young people and key challenges. It also outlines obligations of the UK government in relation to gender duty and rights of women asylum seekers.
