

Manifesto for the Police and Crime Commissioners

Candidates asked to pledge their support for:

1. Take concerted action to tackle domestic abuse against women and their children locally;
 2. Allocate adequate resources to local specialist services for women and children affected by domestic abuse, including women-only service provision;
 3. Work with our member organisations to cut the crime associated with domestic abuse;
 4. Consult with domestic abuse victims when setting local policing priorities.
-

Aims and objectives

Welsh Women's Aid developed this Manifesto in consultation with 29 member organisations across Wales. Forms a basis for work with incoming Police and Crime Commissioners to reduce crime and to increase community safety through effectively tackling domestic violence.
