

Resolution to fight FGM

In view of international Conventions and European legislation with regard to FGM, the Belgian Chamber of Representatives requests the Federal Government to implement the measures related to FGM which are foreseen in the National Action Plan to Fight Partner Violence and Other Forms of Domestic Violence, to ensure a coherent prevention policy and to integrate the topic of FGM in bilateral cooperation agreements with relevant countries.

Policy Framework

Issuer

MPs Mr. Maingain, Mrs. De Permentier and Mr. Thiéry
