

Activity Report 2007

The "Women Victims of Violence" Device is coordinated by 4 associations: ADAVIP-92, AFED-92, Flora Tristan Centre and L'Escale. These associations, engaged to help and support women victims of violence, have proposed to develop a synergy between their structures in order to pool their resources, their experiences, to build a specialized device for women victims of all forms of violence and cover the entire department of Haut-de-Seines
