

# Legislative proposal by Deputy Pozza Tasca, Norms regarding the prevention and repression of FGM, and the promotion of an awareness-raising campaign

The bill proposes to establish the specific crime of FGM by integrating the criminal code, art. 583 bis; to punish with 4 to 8 years who shall commit such crimes, to be increased by 1/3 if victims are less than 15 years old; to integrate art. 604 of the penal code specifying extraterritoriality; to immediately deport the migrant who shall be incriminated; to explicit the duty to report for all health professionals; to set up a National Observatory on FGM, to inform migrants on the Italian Law when entering Italy through Embassies and Consulates; to set up a free toll number and training courses as well as raising awareness activities, in Italy and within International Dev. Cooperation Programmes.
