

White Ribbon Campaign

Ronan Le Poupon

Belgium, Communications Officer

“

I condemn all forms of violence, especially against women and children, but also against any other living being. I am already active in Equal Opportunities matters and in the fight against harassment at work. As a father of two daughters, I am raising them in the belief that they should not tolerate any form of moral or physical violence from anyone. Men and women must join forces to say no to violence.

”
