

White Ribbon Campaign

Josè Carreira

European Union, Executive Director of EASO, European Asylum Support Office

“

It is time to stand up. This is why I decided to join the White Ribbon campaign. We should never remain silent about men's violence against women. We can be part of the solution but we have to raise our voice together. I will be personally committed to support the campaign initiatives and everybody should! Any violence against any woman should never be tolerated.
