

White Ribbon Campaign

Ladislav Hamran

European Union, President of Eurojust, European Union's Judicial Cooperation Unit

“

Every day, women throughout the world and from all walks of life face humiliation, discrimination and violence. Victims of violence are forced to handle their plight while their abusers go free and witnesses look the other way. I do not. I am a proud ambassador for the White Ribbon campaign. Together, we must and we can stop violence against women.

”
