

White Ribbon Campaign

Mars Di Bartolomeo

Luxembourg, Speaker of the Chamber of Deputies of the Grand Duchy of Luxembourg

“

As a “White Ribbon” Ambassador, I will do my very best to contribute to stopping violence against girls and women and furthermore violence against all human beings. Violence is not a sign of strength but of weakness, it is not a solution, but makes the problems worse. Let’s not tolerate that human rights are violated. Let’s work together to stop violence.
