

Genderspezifische Seminare und Schulungen

Aims and objectives

Seminars and workshops are carried out on a regular basis. These workshops can be seen as awareness raising measures.

Results and impact

Gender Equality and Gender Mainstreaming as well as Gender Budgeting is quite well know within the public administration.

Contents/activities/services

Inter-ministerial Working Group for Gender Mainstreaming (IMAG GMB) provides seminars and workshops on a regular basis that deal with recent topics, such as gender budgeting, Gender Mainstreaming and legislation or regulatory impact assessment and its implications for gender equality at the state level. Specific gender training is also organised for civil servants.
