Awareness campaign in the newsrooms

A publication and several meetings with journalists from different media are held to disseminate the results of the Global Media Monitoring Project in Belgium.

Website

Aims and objectives

- To sensitize journalists on gender issues

Results and impact

According to promoters, the awareness campaign is a success. Mentalities are changing, recruitment for instance is more equal. Journalists are more attentive and careful when dealing with gender issues. A few years ago, it was not possible to discuss these questions.
